

Testimonials

"Events Manager Tess and the team in the restaurant/bar were amazing. Spot on service, food and attitude. Our group ranged from 8 to 81 years old and we all loved it. Great help arranging our function, friendly bar, kitchen and wait staff in bar and restaurant. Food was excellent and help with cake fantastic. 10/10 for everything".

"We love the location! How divine it is?! The pool, the sand, the way the resort brings people together - it was just what we had imagined and more! We just loved how friendly the team was, it made everything so easy. Tess is incredible and so committed to ensuring everything runs smoothly. It was so great to have her there on the day. I loved the care and attention that was given to my father who has terminal cancer - nothing was a problem! F&B and Tess went above and beyond to ensure he was taken care of and that I didn't have to worry about a thing".
